

## **Pet Food Express Signs Lease, Will Open New Flagship Store at the Presidio’s Newly Renovated Eleven Eighty Crissy Field Complex**

**San Francisco, CA (May 13, 2024)** – The Presidio Trust has signed a lease with Pet Food Express ([www.petfood.express](http://www.petfood.express)) for space in the newly renovated historic warehouse complex known as Eleven Eighty at Crissy Field. They become the park’s second retailer joining Sports Basement and will be among the first tenants to occupy the newly rehabilitated, seven-building complex along the waterfront.

Pet Food Express will occupy 11,800 SF of 84,000 total square feet of space near the Marina Gate and East Beach. They are the second organization to locate there, following City Ventures, a multi-family developer. Discussions are also underway with prospective tenants for the remaining space. There is still space available at the waterfront complex, which sports stunning views of the San Francisco Bay and the Golden Gate Bridge. Home-grown, local retailer Pet Food Express will open in the Presidio by the end of this year. The new flagship store will offer high-quality pet products and services, including pet wash stations, veterinary clinics, training classes, and same-day delivery, as well as a highly trained store team to support pet parents as they care for their animal’s specific needs. The location is easily accessible by transit (Muni 30) and includes ample visitor parking with paid electric vehicle charging stations available to all park visitors.

“We’re so pleased to welcome Pet Food Express to the Presidio,” says Jeff Eichenfield, director of commercial asset management at the Presidio Trust. “The store will be a terrific asset to park visitors, tenants and residents, and bring new customers into the Presidio.”

Michael Levy, founder and president of Pet Food Express, opened the first location in San Francisco’s West Portal neighborhood in 1980. “We’re incredibly excited about this next chapter in our California story,” says Levy. “I began my business serving San Francisco pets, and to make a new home in such a beautiful and historic part of San Francisco 44 years later has brought Pet Food Express full circle. We’re looking forward to meeting all our new neighbors and their furry family members!”

### **About the Presidio + Presidio Trust**

The Presidio is one of America's most visited national park sites, located within the Golden Gate National Recreation Area. Spanning 1,500 acres next to San Francisco's Golden Gate Bridge, the Presidio is among the most biologically diverse parks in America. Historically a home to native peoples and a military post under three flags, its facilities have been reinvented as museums, restaurants, hotels, homes, and offices. The Presidio Trust is the federal agency that stewards the Presidio, in partnership with the National Park Service and with support from the Golden Gate National Parks Conservancy. The Trust sustains the Presidio by leasing homes and workplaces and offering visitor amenities. Learn more at [presidio.gov](http://presidio.gov).
